Studioworks

With its superior visual display and outstanding audio performance, the Studioworks 17" 700M takes multimedia to a new level. Its 1280 x 1024 maximum resolution, high-refresh rates, and integrated sound system make the 700M ideal for giving audiovisual presentations or working the web with full-stereo sound. The Studioworks 700M multimedia monitor from LG. It sounds as good as it looks.
